LEARNING OUTCOMES

Participants will be able to:

- Experience the many wonders of Science that are available only at the Science Centre Singapore through **interactive exhibitions and science themed shows.**
- Complement the experience with a Science Centre Gallery Trail Exploration!
- Experience Science Centre Singapore's very own **Fire Tornado show** and be in awe of how fire can be initiated!
- Discover how **science concepts can be applied** to our daily lives.
- Be treated to an **immersive experience** at the Omni-Theatre, Singapore's only and South-East Asia's first 8K digital dome theatre
- Experience the sweet escape at Science Centre's signature Escape Room! Participants will have their **problem solving skills** tested to the limit and the only way to win is by escaping as a team!
